The "Myślecinek" Park now has yet another amazing and adrenaline-pumping attraction for its visitors!

The lake at the Różopole Glade now has its own wakepark! The park features a professional lift for waterskiing and wakeboarding, as well as a set of obstacles where you can perform all sorts of stunts and tricks.

The wakepark also includes beach football and beach volleyball pitches, a trampoline for children and a bar located right on the sandy beach, from where you can watch the sports fanatics doing their stunts while drinking an ice cold cocktail.
