COMPANY EVENTS

The Forest Park for Culture and Leisure organizes various open-air events: concerts, fairs, picnics and company events.

The idea behind such events is to increase the ability of employees to work as a team in a way which is both fun and educational. Company events may also be a way of spending some time together with your colleagues or promoting an important event in the company life in the regional media. We organize everything for company events from A to Z, following a format agreed with and accepted by the customer. Our offer includes charming sites within the Park and additional attractions according to the customer's wishes. We guarantee that our services will be of the highest quality and also assured by our extensive experience in this business and the exceptional creativity of our employees, a wonderful choice of Artists and state of the art technical equipment. Let us create an event for you which you'll never forget!
